

Speech - Language - Literacy Summer Group

Led by a speech-language pathologist
and an elementary teacher

July 9 - 27, 2018

full program
10:00 am -3:00 pm

afternoon only
11:30am -3pm

Held on the campus of RPCNS
215 W. Montgomery Avenue
Rockville, MD 20850

Thematic play-based activities will focus on:

- vocabulary development
- speech articulation
- motor speech
- expressive language
- literacy
- conversational skills
- cooperative play
- building confidence

The group is designed for children in kindergarten and older who are speaking at the sentence level, have early literacy knowledge, basic pretend play skills, and enjoy interacting with peers.

The SLP is CASANA recognized for advanced training & clinical expertise in childhood apraxia of speech.

Both leaders are trained in multi-sensory reading instruction.

For more information or to see if the group would be a good fit for your child, please contact
Corie Reuschlein, MS, CCC-SLP
