

Speech - Language - Literacy Summer Group

July 8 - 26, 2019

10:00 am -3:00 pm

**215 W. Montgomery Avenue
Rockville, MD 20850**

(in the Rockville Presbyterian Preschool Building)

Team taught by a speech-language pathologist and a first grade teacher

The SLP is recognized for advanced training & clinical expertise in childhood apraxia of speech. Both leaders have advanced training in reading instruction.

Thematic play-based activities will focus on:

- vocabulary development
- literacy
- speech articulation
- conversational skills
- motor speech
- cooperative play
- expressive language
- building confidence

Max enrollment of 10

Daily individual/small group speech or literacy time

For children in kindergarten and older who are speaking at the sentence level, have early literacy knowledge, pretend play skills, and enjoy interacting with peers.

**For more information or to see if the group would be a good fit for your child,
